

**EMMIR Faculty and Post-Doc Workshop****Venue: Bibliothekssaal/Library Lecture Hall****Programme and Presenters**

EMMIR, the European Master in Migration and Intercultural Relations, started in 2011 and since then 9 editions with a total of more than 200 graduates have taken place. With this workshop we would like to reconnect with EMMIR graduates who after graduation started academic careers. On day one they will give us insights into their research work – each lecture will be 30 minutes followed by 15 minutes for plenary discussions. The expectation is that the lectures will introduce us to current trends in migration studies – with special emphasis on perspectives from the Global South.
